Introduction

Active Content Manager 24.2 contains an enhancements and bug fixes.

Active Content Manager:

- 1Risk waivers
- New sign-in error
- "Customer Required Only for an Order" product header rule
- Minimum age to log in
- New drop-down list for the **State** field

Please check the RTP Customer Portal at <https://support.activenetwork.com/rtp/> for other updates and documentation.

New Features and Enhancements

- [7645] A timer has been set up on the **Waiver Sign** page so that after the 1Risk waiver has been completed, the completion confirmation message remains on the page for enough time to allow the guest to see it.
- [7668] ONE|Store now supports recent updates to the ESS sign-in method regarding the error for username and password. The error is now "Invalid email address or password."
- [7669] ONE|Store now supports recent changes to product headers with the "Customer Required Only for an Order" product header rule.
- [7670] ONE|Store now supports recent updates to the sign-up method where users cannot sign up if they select a date of birth that is under the age configured in **Minimum Age to Log In**. The following error appears: "You are not old enough to sign up."
- [7593] The fields on the **My Account** page no longer accept scripts as inputs.
- [5546] ONE|Store can now get a list of states or provinces from RTP and create a dropdown list for the UI.

The image shows a registration form with the following fields and labels:

- Country * (Text input containing "Canada")
- Address * (Two stacked text input fields)
- City * (Text input field)
- State * (Dropdown menu with options: AB, BC, MB, NB, NL, NS, NT, NU, ON, PE. BC is selected and highlighted in blue.)
- Postal Code * (Text input field)

Below the form, there is a blue button and the text "Already have an acco".
