Camp and Class Manager Release Notes

Online Session Enhancements

Displaying a Banner in the AUI

To offer guidance to agencies about virtual event features provided by Camp & Class Manager during the COVID-19 outbreak, a banner is now displayed across all AUI pages with a link to the [Camp & Class Manager Resource Hub: COVID-19](#) page:

Displaying Online Session Time and Link in the SSUI

To allow registrants in different time zones to easily determine the exact time of a session in which they are registered, the following information is now displayed in the SSUI (both desktop and mobile):

- For all sessions (including both offline and online sessions), the scheduled days of the week and session start and end times are now appended to the session start and end dates (provided the information was configured on the AUI session setup page).
- For online sessions, the hosting agency's time zone is appended to the session start and end times (provided these times were configured on the AUI session setup page). For example, 2:00 PM – 5:00 PM EST is now displayed for an online session.

Attendance Tracker Enhancements

For agencies using the **Attendance tracking** tool, coaches can now add notes to individual participants during check-in/check-out (including attendance tracking for upcoming sessions) by clicking the required participant > **View notes** > **Add note** button.

On the **Add note** popup, coaches can categorize the note (such as general, medical, behavioral, etc) by clicking the **Type** dropdown. If the note requires special attention, then coaches can check the **Mark as important** checkbox and the note will be placed at the top of the list and highlighted with a blue star:

Camp and Class Manager Release Notes

Desktop

Desktop interface showing the "Mark attendance" screen. A modal window titled "View notes" is open, displaying a table with columns "Priority", "Note", and "Type". The table shows "No records found." A red box highlights the "Add note" button in the top left corner of the modal.

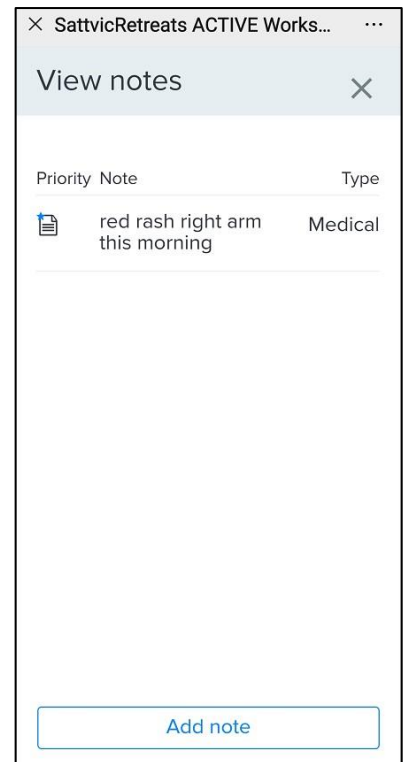

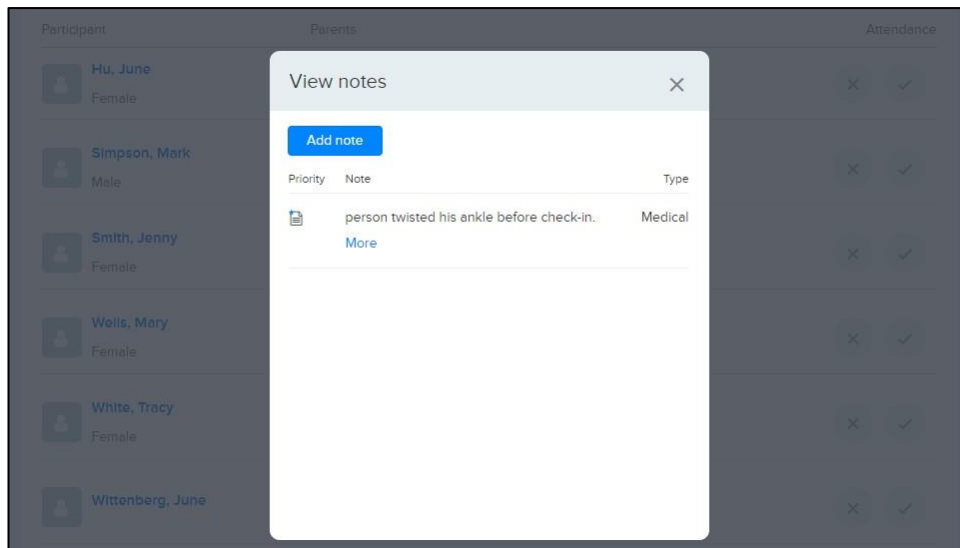

Desktop interface showing the "Mark attendance" screen. A modal window titled "Add note" is open, displaying a form with fields for "Type" (Medical), "Note" (person twisted his ankle before check-in.), and a checkbox for "Mark as important". A red box highlights the entire "Add note" modal.

Mobile

Mobile interface showing the "View notes" screen. The screen displays a table with columns "Priority Note" and "Type". The table shows "No records found." A red box highlights the "Add note" button in the bottom right corner of the screen.

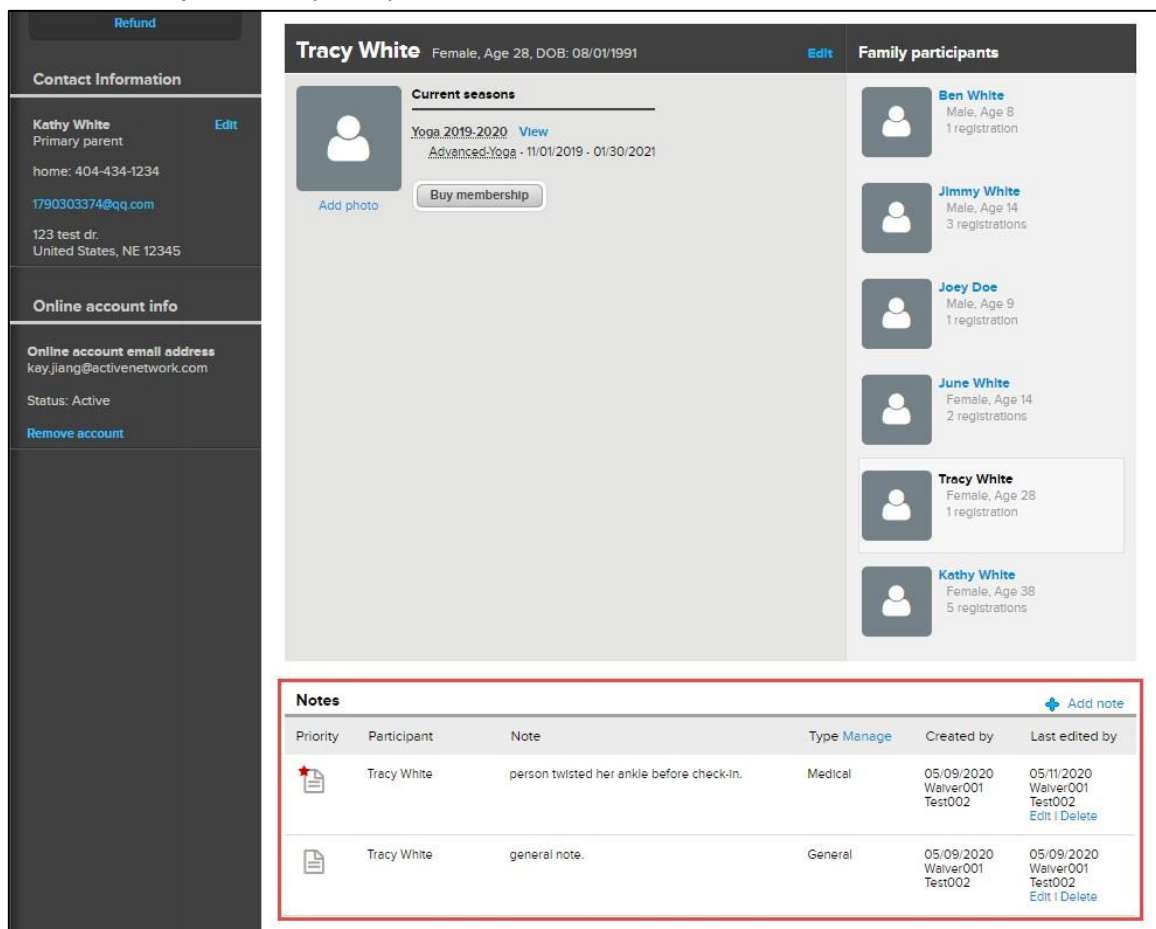

Mobile interface showing the "Add note" screen. The screen displays a form with fields for "Type" (Medical), "Note" (red rash right arm this morning), and a checkbox for "Mark as important".

Camp and Class Manager Release Notes

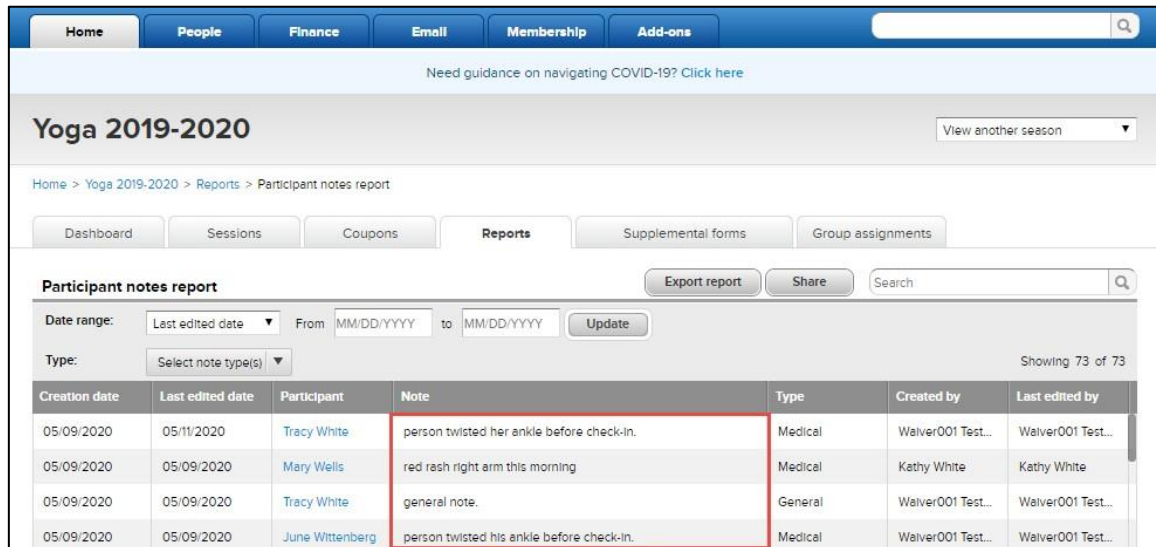

Notes added in the **Attendance tracking** tool are listed in the:

- Home Tab > **People** tab > a participant > **Notes** section:
