ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

ACTIVE Captivate Portal: Post banner notifications to the consumer app

On the ACTIVE Captivate Portal > **Front desk** > **Notifications** page, when creating and editing a **Drafts** or **Scheduled** notification, agency users can now select to configure the notification to appear in the ACTIVE Captivate consumer app either as a:

- **Push Notification** (existing behavior).
- **Banner Notification**.

Agency users can:

The screenshot shows the "Create a notification" form in the ACTIVE Captivate Portal. The breadcrumb trail is "Front desk > Notifications > Create a notification". The form title is "Create a notification". Under "Type*", there are two radio buttons: "Push Notification" (unselected) and "Banner Notification" (selected). Below this is a "Subject*" text input field. The "Message*" field has a character count of "16" and a rich text editor with bold, italic, list, link, and image icons. Below the message field is a "Preview" button. Under "Dismissible*", there are two radio buttons: "Yes" (selected) and "No" (unselected). Under "Color*", there are four color selection buttons: "Banner message." (blue, selected), "Banner message." (green), "Banner message." (yellow), and "Banner message." (red).

ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

The screenshot shows a configuration form for a banner. It includes three main sections: 'Schedule*', 'Recipients*', and 'Take down date/time*'. The 'Schedule*' section has two radio buttons: 'Send now' (selected) and 'Send in the future'. The 'Recipients*' section has four radio buttons: 'All customers' (selected), 'Registrants', 'Customers who reserved equipment', and 'Customers who marked a facility as favorite'. The 'Take down date/time*' section has two input fields: the first for the date in MM/DD/YYYY format with a calendar icon, and the second for the time in HH:MM format with a clock icon. At the bottom, there are three buttons: 'Cancel', 'Save as draft', and 'Send'.

- In the **Dismissible** section, configure if the banner is:
 - Closable by users (**Dismissible = Yes**).
 - Displayed permanently until the **Take down date/time** (**Dismissible = No**).
- In the **Color** section, configure the banner color scheme.
- In the **Schedule** section, configure whether to display the banner:
 - Immediately (**Send now**).
 - On a scheduled date and time (**Send in the future**).
- In the **Recipients** section, configure whether to display the banner to:
 - **All customers**.
 - Only **Registrants** in selected activities.
- In the **Take down date/time** section, configure a date/time after which the banner is no longer displayed.
- View the notification **Type** on the **Drafts**, **Scheduled** and **Sent** tabs in the new **Type** column:
