### Emails: Remove a recipient from the Unsubscribed list

Agency users can now resume sending broadcast emails to a recipient by deleting the recipient from the **Email** tab > **Unsubscribed list**:

The screenshot shows the 'Email' tab interface. On the left is a sidebar with categories: Email (0), Email campaigns (1), Sent (2), Drafts (13), Templates (8), Reminder emails (5), Unsubscribed list (3), and Text messaging. The main content area is titled 'Home > Email' and 'Unsubscribed list'. Below the title is a search bar and a note: 'Email addresses on this list have unsubscribed and will not receive broadcast emails from your organization. [Learn more](#)'. A 'Delete' button is highlighted with a red box. Below this is a table with columns: Email, Unsubscribed on, Name, and Last email.
