## New features

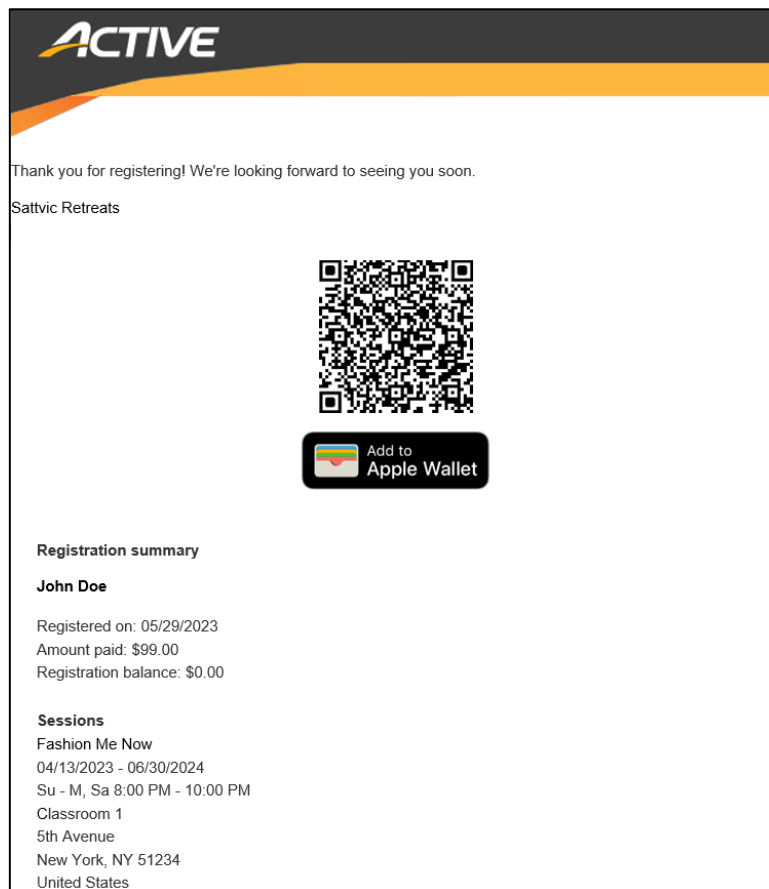

### Check-in/out QR codes

Camp and Class Manager can now provide participants with QR codes which can be scanned by the ACTIVE Connect app to check participants into or out of their sessions.

- For further information on the ACTIVE Connect app and to enable the QR codes feature, please contact your account manager.

After enabling the QR codes feature, registration confirmation emails include a QR code which participants can present to the ACTIVE Connect app to check into or out of sessions.

- To add the QR code to their Apple Wallet, participants can click/tap the **Add to Apple Wallet** icon.

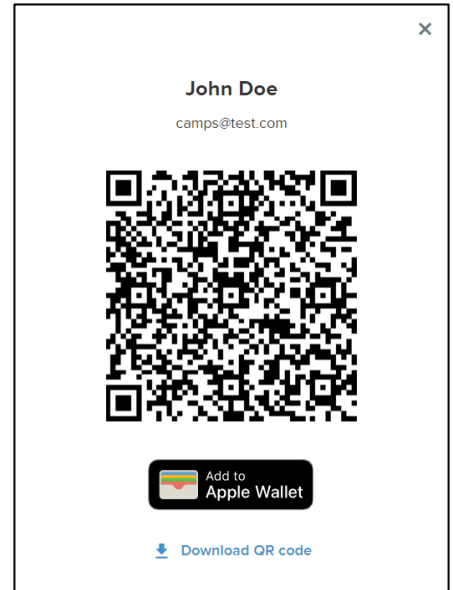

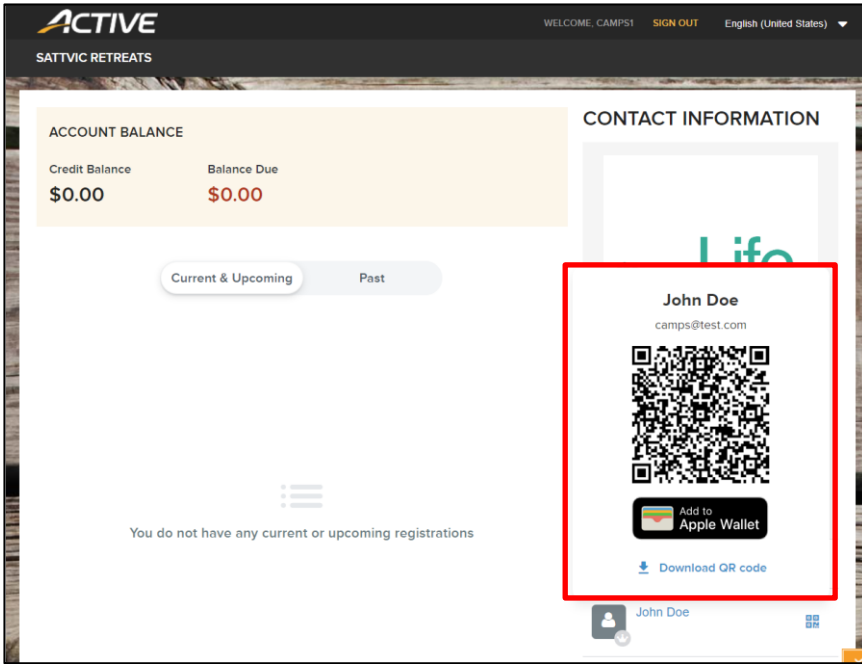

Participants can also view their check-in/out QR codes in their SSUI online customer portal account > **FAMILY MEMBERS** > a family member >  icon (this is useful for participants who registered prior to turn-on of the QR code feature and received registration confirmation emails without the QR code).

- To add the QR code to their Apple Wallet, participants can click/tap the **Add to Apple Wallet** icon.
- To download and save the QR code as a .png image file, participants can click/tap  **Download QR code**.
