# ACTIVE Reserve Release Notes

## New features

### Automatically publish lessons to ACTIVE.com

To promote lessons and registrations, ACTIVE Reserve can now automatically publish lessons to the [www.active.com](http://www.active.com) website. If a lesson is for kids, then the lesson will be published to both [www.active.com](http://www.active.com) and [www.activekids.com](http://www.activekids.com).
