ACTIVE Reserve Release Notes

New features

Lessons with multiple participants

Previously, ACTIVE Reserve supported only private (1-on-1) lessons with a single participant.

Now, to promote lessons and registrations, you can create lessons with multiple participants by clicking the **Lessons** > **Create a lesson** or edit a lesson > **Capacity** > + or - buttons (required, defaults to 1, supports a minimum of 1 participant and a maximum of 999 participants):

Lessons > Edit a lesson

Edit a lesson
