Release Date

October 10, 2023

**ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes**

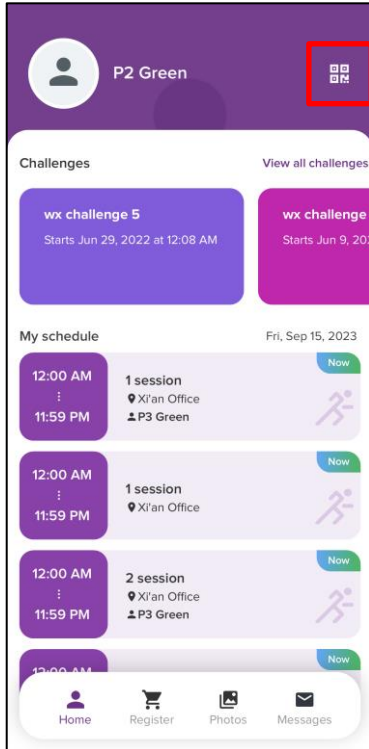

**Contents**

**ACTIVE Captivate Consumer iOS and Android apps: Displaying QR codes..... 3**

### ACTIVE Captivate Consumer iOS and Android apps: Displaying QR codes

In the ACTIVE Captivate Consumer iOS and Android apps, for quicker access, check-in/out QR codes can now be opened by tapping the **Home** tab >  icon.

- Consumers can select the required family member (defaults to the signed-in user) by tapping the  icon and then tapping the required family member:
