Camp and Class Manager Release Notes

Credit balance report: Including/excluding expired credit balances

In the **Finance** tab > **Reports** tab > **Credit balance report**, agency users can now select to include/exclude expired credit balances (where the **Expire on** date is prior to the current date) by selecting/unselecting the **Include expired credit balances** checkbox (defaults to unselected):

The screenshot shows the 'Camp & Class Manager' interface. The 'Finance' tab is selected, and the 'Credit balance report' is displayed. The total credit balance is \$1,557.85. Below this, there is a table with columns for Primary parent name, Season, Credit balance, and Expiration date. A checkbox labeled 'Include expired credit balances' is highlighted with a red box.

Credit balance report All seasons

Total credit balance
This is the total amount of available credit on file that your customers can use as payment toward registrations.
When filtered to a specific Season, amounts shown represent available credits generated by registrations in the selected Season.
