ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

New features

Filter activities by location

In the ACTIVE Captivate Portal, agency users can now search/filter activities by locations in the following flows:

- **Notifications** > a notification > select activities
- **Activity setup** > **Activities**
- **Activity setup** > **Photo management** > **Upload photos** > select an activity
- **General** > **Self check in/out** > a pattern > select activities
