# ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

## New features

### ACTIVE Captivate Portal: customer management enhancements

Agency users can view a list of consumers who have signed into the ACTIVE Captivate IOS and Android mobile apps (in the ACTIVE Captivate Portal > **Customer management** > **Customers**).

In this release:

- The **CUSTOMER NUMBER** column (for internal use only) is no longer displayed.
- An **EMAIL** column has been added to display each customer's email address.
