## New features

### Financial settings: edit remittance payment address

When receiving ACH payments from ACTIVE Network, account owners can now configure their remittance payment address in **Setup > Organization settings > Financial settings tab > How ACTIVE Network sends you payments for Reserve > Remittance payment address:**

**Organization settings**

Contact information **Financial settings** Terminology

**How Active Network sends you payments for Reserve**  
Reserve payments will be remitted to you by the method indicated below.

Issue payment as ACH (Direct deposit)

**ACH (Direct deposit)**  
Two small deposits will be made to this account in the next 3 to 5 business days. Confirm the account by returning to this page and entering the amounts of those deposits. ⓘ

Once the direct deposit has been validated these changes will take effect after the next payment cycle.

**Remittance payment address**  
This address is used by ACTIVE Network to issue you an ACH payment.
