## Sharing personalized session referral links to Facebook, X, Email or SMS

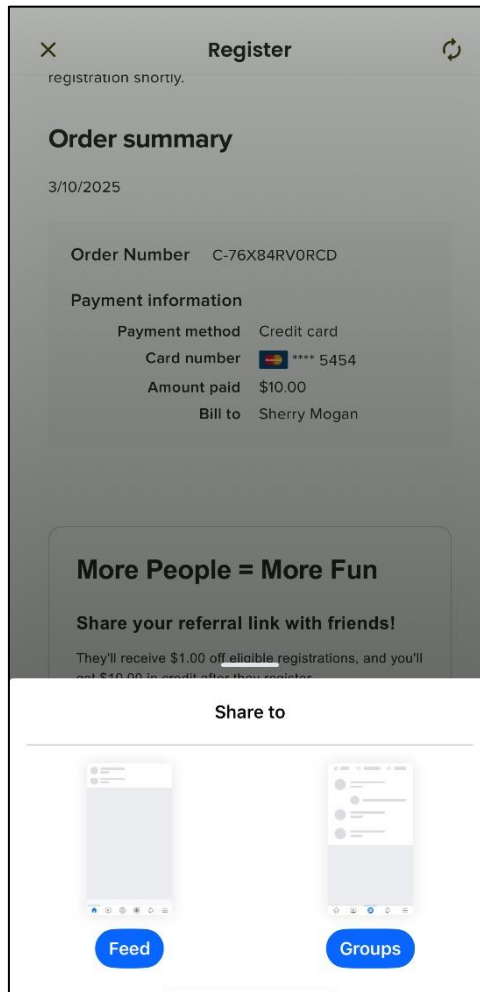

In the ACTIVE Captivate iOS or Android app, when registering for a Session in a season with the AUI > **Settings > Advanced settings > Social referral program** and the AUI > **Seasons > a Season > Setup > Social referral program > Session applicability** settings enabled, on the checkout confirmation page of the selected Season, consumers can now share the referral program to:

- Facebook or X (Twitter)

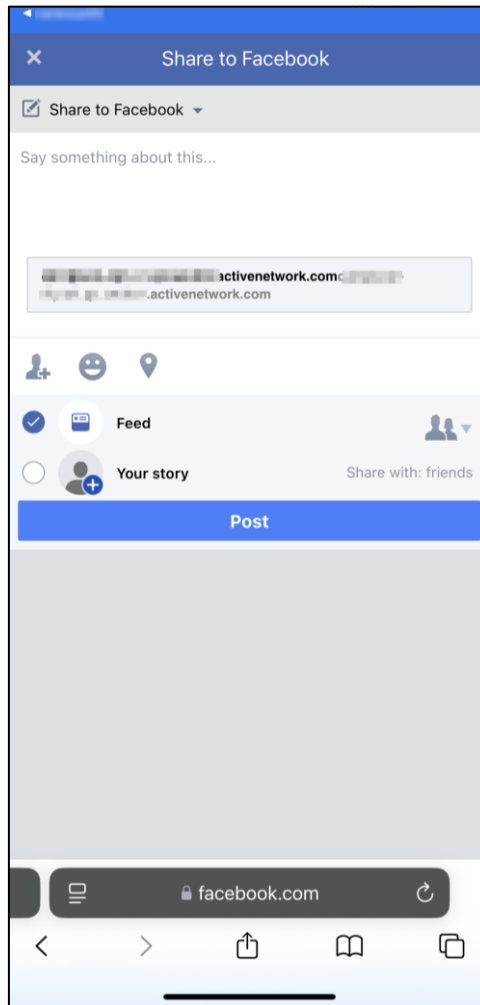

If the app is installed, then the app automatically creates a draft of a new post regarding the referral program:

# ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

If the app is not installed, then the default browser automatically opens a new page.

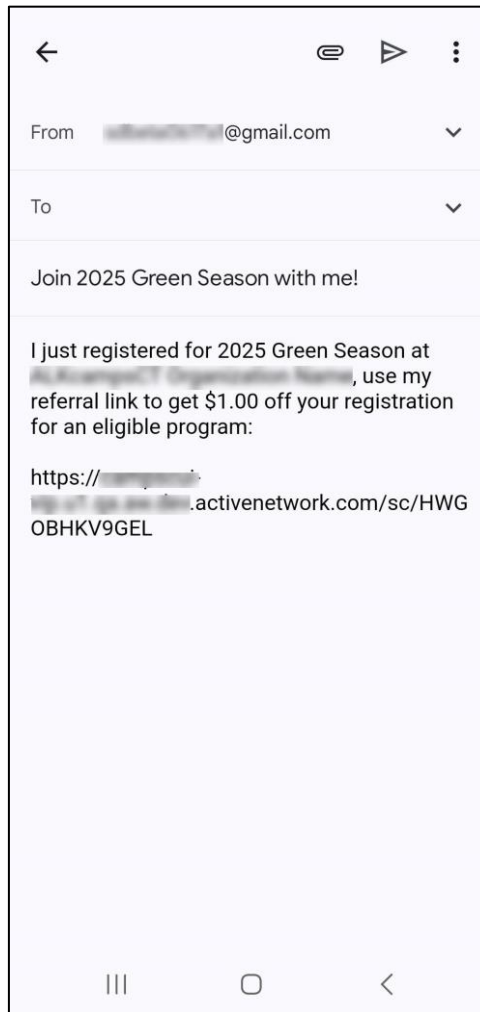

## ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

- Email

The default email app automatically creates a new email with the referral program.

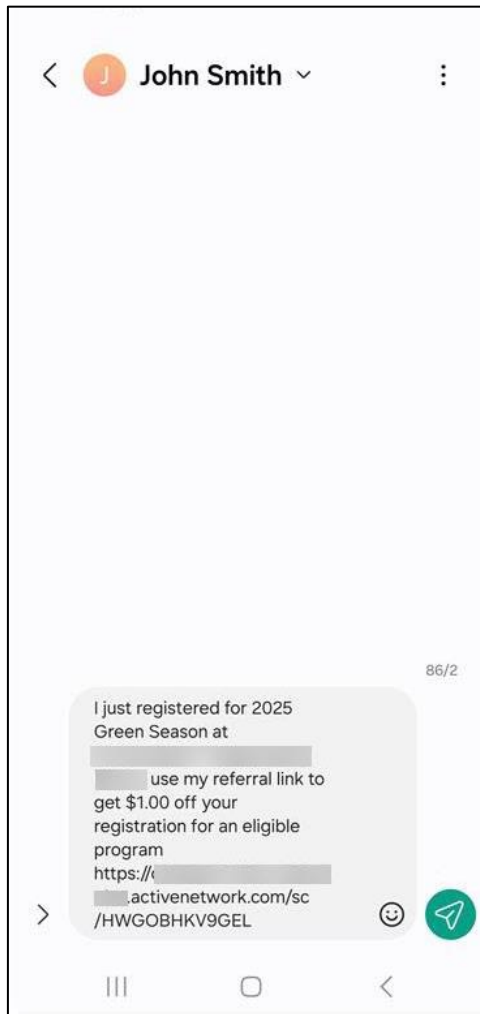

## ACTIVE Captivate for Camps and Class Manager (CCM) Release Notes

- SMS

The SMS app automatically creates a new SMS message with the referral program.
