

## Customize Appearance Settings

When making changes on the new Customize Appearance page, changes must be saved by clicking **Save Changes** in the top right corner of the page before navigating back to the Look & Feel page to preview branding changes.

On the **Customize appearance** page, agency users can configure the following branding:

### 1. Color theme

#### Color theme

Customize the colors used on your registration page. [Learn more](#)

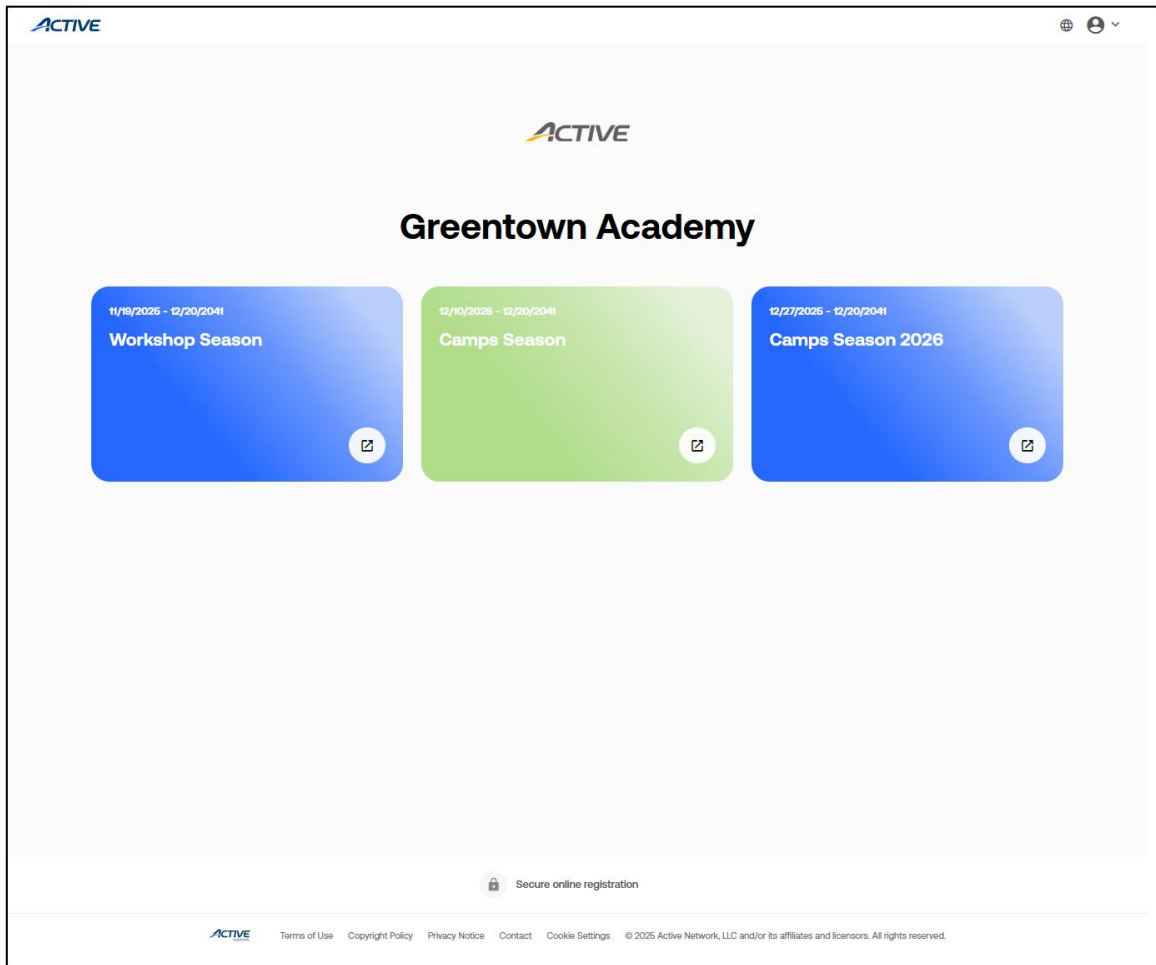

Accent color

Primary button text color ⓘ

Secondary button text color ⓘ

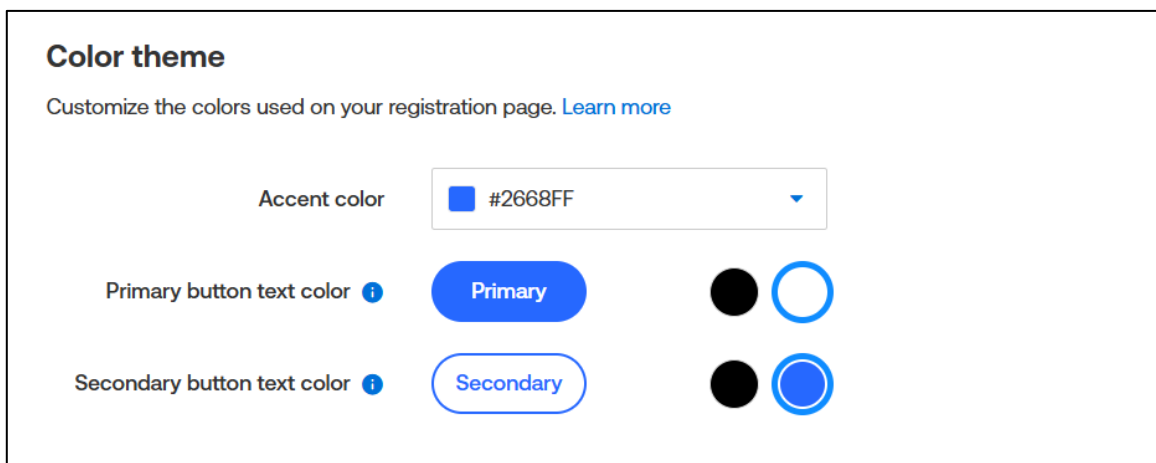

- **Accent color**  
**Accent color** controls the color of the Location hyperlink, discount tags, primary action buttons and the outline of secondary buttons. The accent color will also be used to determine the tile color for the specific Season on the Season Listing page.

# Camp and Class Manager Release Notes

- **Primary button text color**

Select black or white as the **Primary button text color**. Primary buttons are visible on the Session Selection pages.

- **Secondary button text color**

Select black or the accent color as the **Secondary button text color**. Secondary buttons appear on filters, session details and shopping cart.

# Camp and Class Manager Release Notes

The screenshot displays the ACTIVE website interface. The main header features the ACTIVE logo and a search bar. The primary content area is titled "Dallas Workshop Factory" and includes a filter bar with options for "When", "Where", "Session type", "Instructors", "Age", and "Grade". Two workshop cards are visible: "Spanish I" at Greentown Academy and "Spanish II" at Klyde Warren Park. A shopping cart overlay on the right lists the selected items, showing a subtotal of \$210.00 and buttons for "Continue shopping" and "Checkout".
