CCM CONVERSION IMPROVEMENTS

The following visual enhancements have been implemented in the CUI.

- For sessions with applicable discounts or payment plans (as configured in the AUI):
 - The "Payment plan available" tag has been renamed to "Payment plans available".
 - The "Discount available" tag has been renamed to "Discounts available", and now has an arrow sign (">") to indicate that this tag is clickable (while the Payment plans available tag does not have the ">" sign and is thus unclickable):
