Dashboard templates for each user

Putting on an event requires a person or team to wear many hats. Now every member on your team can customize their dashboard to show relevant widgets for what they need to get their job done. As widgets continue to be released throughout the year, accelerate your business' ability to optimize your marketing, financial and operational efforts to exceed your goals.

See how marketing activities impact your registration trends

The **REGISTRATION TRENDS** graph now displays when key marketing activities occurred during event registration, so that you and your staff can easily see how activities like price changes and social referral campaigns impact your registration numbers.
