ACTIVE Results: display participant's team, city and state/province/county

Participants are traveling further than ever to attend events. ACTIVE Results now showcases more information about participants, including their **Team, City, and State/Province/County**.

As a Timer, you can now include this information when importing participants' results from a CSV file into ACTIVE Results:

Modify column mappings

The following columns are required: Bib, Last name, First name, Finish result, Rank overall and Distance unit.
Any columns not assigned with an ACTIVE FORMAT will NOT be imported.

Team invitees: Single-page registration workflow

Participants invited by a fellow team member can now register through the mobile-responsive, brandable, single-page registration flow:

Race Pass report: Order number column

In a recent release, Race Passes (an Elite-tier feature) were enhanced with the ability to gift a Race Pass to another adult.

To better help organizers support more Race Pass holders, the **FINANCIALS > Race pass report** now includes the **Order number** for each Race pass purchase:
