Assign bib numbers by wave

Building on our recent bib and wave enhancements, you can now configure the Bib tool to assign bib numbers by the waves selected by participants during registration.

If a participant changes their wave post-registration, then the Bib tool can automatically adjust their bib number, without any intervention from you.

Exclude a number or range of numbers from this sequence

Separate multiple numbers with commas and number ranges with hyphens. Example: 237,238,800-850. These numbers will be skipped when bib numbers are assigned automatically.

☒ Assign the same bib to members of a group.

☒ Suffix bibs for relay team members with a capital letter.

☒ Re-assign bibs if participants change their answers before this date

Viewing participants' results in participant profiles

In ACTIVEWorks Endurance, you can now easily view a participant's race **Results** in the participant profile:

The screenshot shows the ACTIVEWORKS endurance web application. The top navigation bar includes links for HOME, VOLUNTEER, FINANCIALS, EMAIL, GLOBAL MERCHANDISE, GLOBAL DISCOUNT, RACE PASS, and DOCUMENT. The user is logged in as John. The main content area is titled "Fun Team" and shows the date "July 1, 2018". Below this, there are tabs for Dashboard, Setup, Participants, Invitations, Teams, Tools, Reports, and Express registrations. The "Participants" tab is selected, showing the profile for "Kate Smith" (Team). The profile includes contact information, a confirmed status, and team details. A "Results" tab is highlighted with a red box. The "Results" section displays the final results (18:34), average pace (00:19 /km), and overall ranking (7 / 18). A "View result detail" button is also visible. The right sidebar contains an "Actions" section with links for Resend receipt email, Resend confirmation email, Purchase items, and Modify T-shirts and other included items.

ACTIVE Results triathlon results support

The new ACTIVE Results website now supports triathlon results. Your triathletes can see their final, **Summary** and **Splits** results in a custom-brandable and mobile-responsive site:

The screenshot displays the ACTIVE Results website interface for a triathlon event. The main header shows the event name "Triathlon" and location "BRIGHTON, ENGLAND, United Kingdom" for June 15, 2017. A search bar and social media links are present. The results table lists participants, with Cecil Li (Bib 00001) highlighted. A detailed view of Cecil Li's results is shown, including a final time of 04:33:03, gun time of 04:33:03, chip time of 04:33:01, and a penalty time of 00:01:01. The summary section breaks down the performance by discipline: Swim (3 km, 00:12:02), Bike (180 km, 01:27:41), and Run (42.19 km, 02:45:00). The splits section provides a detailed breakdown of the bike leg, showing times for S-Start, S-Finish, B-Start, B-30km, and B-60km.

Document management tool enhancements

The Document management tool (a Premium-tier feature) has the following enhancements to make it even easier for you to manage your participant's documents:

- Quickly find documents belonging to a specific participant by entering the participant's name or email address in the search box:

The screenshot shows the 'Document' management interface. At the top, there's a navigation bar with 'HOME', 'PEOPLE', 'VOLUNTEER', 'FINANCIALS', 'EMAIL', 'GLOBAL MERCHANDISE', 'GLOBAL DISCOUNT', and 'MORE'. Below this, the 'Document' section has a sub-header 'Manage your participants' documents.' and two buttons: 'Review' and 'Delete'. A search box is highlighted with a red rectangle, containing the text 'Enter name or email to search' and a 'Search' button. Below the search box is a table with columns: FILE NAME, TYPE, PARTICIPANT, and STATUS. The table lists two documents: 'Parental waiver' (Parental authorization, Lee Alexander, Refused) and 'Blood pressure' (Medical certificate, Lee Alexander, Approved).

- View document approval statuses in the **Registrations** report to quickly see who and how many participants need to upload documents for approval:
