## My Events for Participants

Further enhancements to the My Events homepage now make it even more convenient for your Participants to manage their registrations, refer events to other people, manage Group Packet Pickup and free up your staff to concentrate on organizing your events.

Participants can now click the **Registration & QR code** button to view their registration QR code:

The screenshot shows the 'My Events' homepage for a participant named Charlotte Zheng. The page displays event details for 'Walking-5 Mile - Individual only 950' on July 15, 2018. A red box highlights the 'Registration & QR code' button. A blue arrow points from this button to the 'Registration Summary' page. The 'Registration Summary' page shows a QR code highlighted with a red box and a table of items.

Items	Item Price	Quantity	Total
OXXO0914 - Walking-5 Mile - Individual only 950 Charlotte Zheng	MXN 950.00	1	MXN 950.00

The My Events homepage now makes it easy for your participants to refer your events to friends and family, whether by Facebook, Twitter, Pinterest, Email, or by copying a referral link. If the My Events homepage is viewed on a mobile device, then Participants can also refer an event by SMS:

## Brand My Events for your organization

As an Elite-tier Agency, you can provide your Participants, Team Captains and Volunteers with a My Events site that is consistent with your organization's branding:

- Provide access to the My Events site via a custom URL branded with your Agency name:

[myevents.active.com/youragencyname](https://myevents.active.com/youragencyname)

- Customize the look of the header, footer and content area as seen by your customers:

The screenshot shows the 'Custom branding' interface for an 'endurance' organization. The top navigation bar includes 'HOME', 'PEOPLE', 'VOLUNTEER', 'FINANCIALS', 'EMAIL', 'GLOBAL MERCHANDISE', and 'RACE PASS'. The main content area is titled 'Custom branding' and has two tabs: 'Forms and emails' and 'MyEvents'. Below the tabs, a message states: 'Customize e branding and apply it to your MyEvents!'. The 'MyEvents URL' is set to 'https://myeventsul-vip.qa.aws.dev.activenetwork.com/EnduranceQADemo'. The 'Header' section allows customization using HTML format, with a 'Choose file' button for an image and a text area for HTML code. The 'Footer' section also allows customization using HTML format, with a 'Choose file' button for an image and a text area for HTML code. The 'ACTIVE logo' section provides instructions on choosing between grey or white header logos. The 'Content area' section allows customization by uploading a CSS file. A 'Save' button is located at the bottom right of the form.
