Event donations: multi-currencies

The **Event setup** > **Giving** > **Donations** feature was redesigned in the <u>last release</u> to allow you to display engaging images and descriptions to your registrants to entice donations for your chosen charities.

New countries and currencies are now supported for donations including:

- Countries: United Kingdom, Australia, New Zealand, Canada, European Union countries and United States of America.
- Currencies: GBP, AUD, NZD, CAD, EUR and USD.

Event directors will be able to add registered charities from their own country and currency only.

All donations collected will be remitted monthly by ACTIVE Network to the chosen charities.

- Each non-US charity will receive information regarding each specific donation in non-USD funds.
- US charities can reach out to <u>ClientCare@activenetwork.com</u> for their detailed donations report.
