Front Desk Registration: Team management enhancements	2
My Events: Team member bib numbers and waiver statuses	3

Front Desk Registration: Team management enhancements

In the **HOME** tab > **Actions** > **Register someone** workflow, event directors registering a team captain can now create a team where:

- **All members pay for themselves** during registration:

Do you want to participate with a team?

No

Create a team

Create a team where team members register on their own. Team captain can use the team captain center to manage and invite team members.

General team *

Team name *

Team description

Payment for team members *

All members pay for themselves
All team members should pay for themselves during registration

I will pay later for invited members
You can pay for some or all of your invited team member registrations

Is this team hidden? *

No - anyone can see the team when registering

Hide team from all registrants

Is this a private team? *

No - anyone can join

Yes - require a password

- **Some invited members are paid for by the team captain:**

Do you want to participate with a team?

No

My Events: Team member bib numbers and waiver statuses

Team captains can now view **Bib** numbers and waiver statuses (👍 all signed / 🚩 some unsigned) for their team members in the **My Events** site > an event > **Team center** button > **TEAM MEMBERS** list.

Team member actions (other than the **Pay now** button) have also been moved to under the new ⋮ menu.
