Registrations report enhancement: new Consumer category ID column

Following the release of [Event price type registration restriction by consumer categories API](#), we have added a new column to the registration report so that you can report which registrations belong to which consumer categories.

This **Consumer category ID** column is found in “Event” > **Reports** > **Registrations** report

Run for fun

August 2, 2021

[Dashboard](#) [Setup](#) [Participants](#) [Invitations](#) [Teams](#) [Tools](#) **Reports** [Express registrations](#)

[Revenue report](#)
Provides a list of all payments and transactions, including summaries for total net income, refunds and processing fees.

[Registrations](#)
Provides a list of all registrations for your event, including participants' responses to registration form questions.

[Check-in list](#)
Provides a list of information to use at check-in, such as bib assignment, T-shirt size and more.

[Merchandise](#)
Itemizes merchandise sold, including total revenue, average purchase amount and other information.

[Discounts](#)
Provides a list of all discounts that have been used during registration. Referral rebates are also counted as discounts and categorized into this report.
