New Features

Set registration open and close times

Previously, when configuring seasons or lessons, you could only customize the dates for registration open and closure in the **Registration setup** flow by selecting the **Registration dates** step > **Custom** option. Now, you can customize specific times on the dates for registrations to open and close:

Previously, when configuring seasons or lessons, you could set registration open and close dates (but not times) in the **Registration setup** flow by selecting the **Registration dates** step > **Custom** option.

Now, you can also set specific open and close times on the registration open and close dates:
